# Anonymous Survey Questions

I am interested in another webinar presenting  
**GOVERNANCE BOARD ISSUES:**

Source: TMIT High Performer Webinar Series; Serious Adverse Events and Engaging Your Governance Board – March 21, 2019

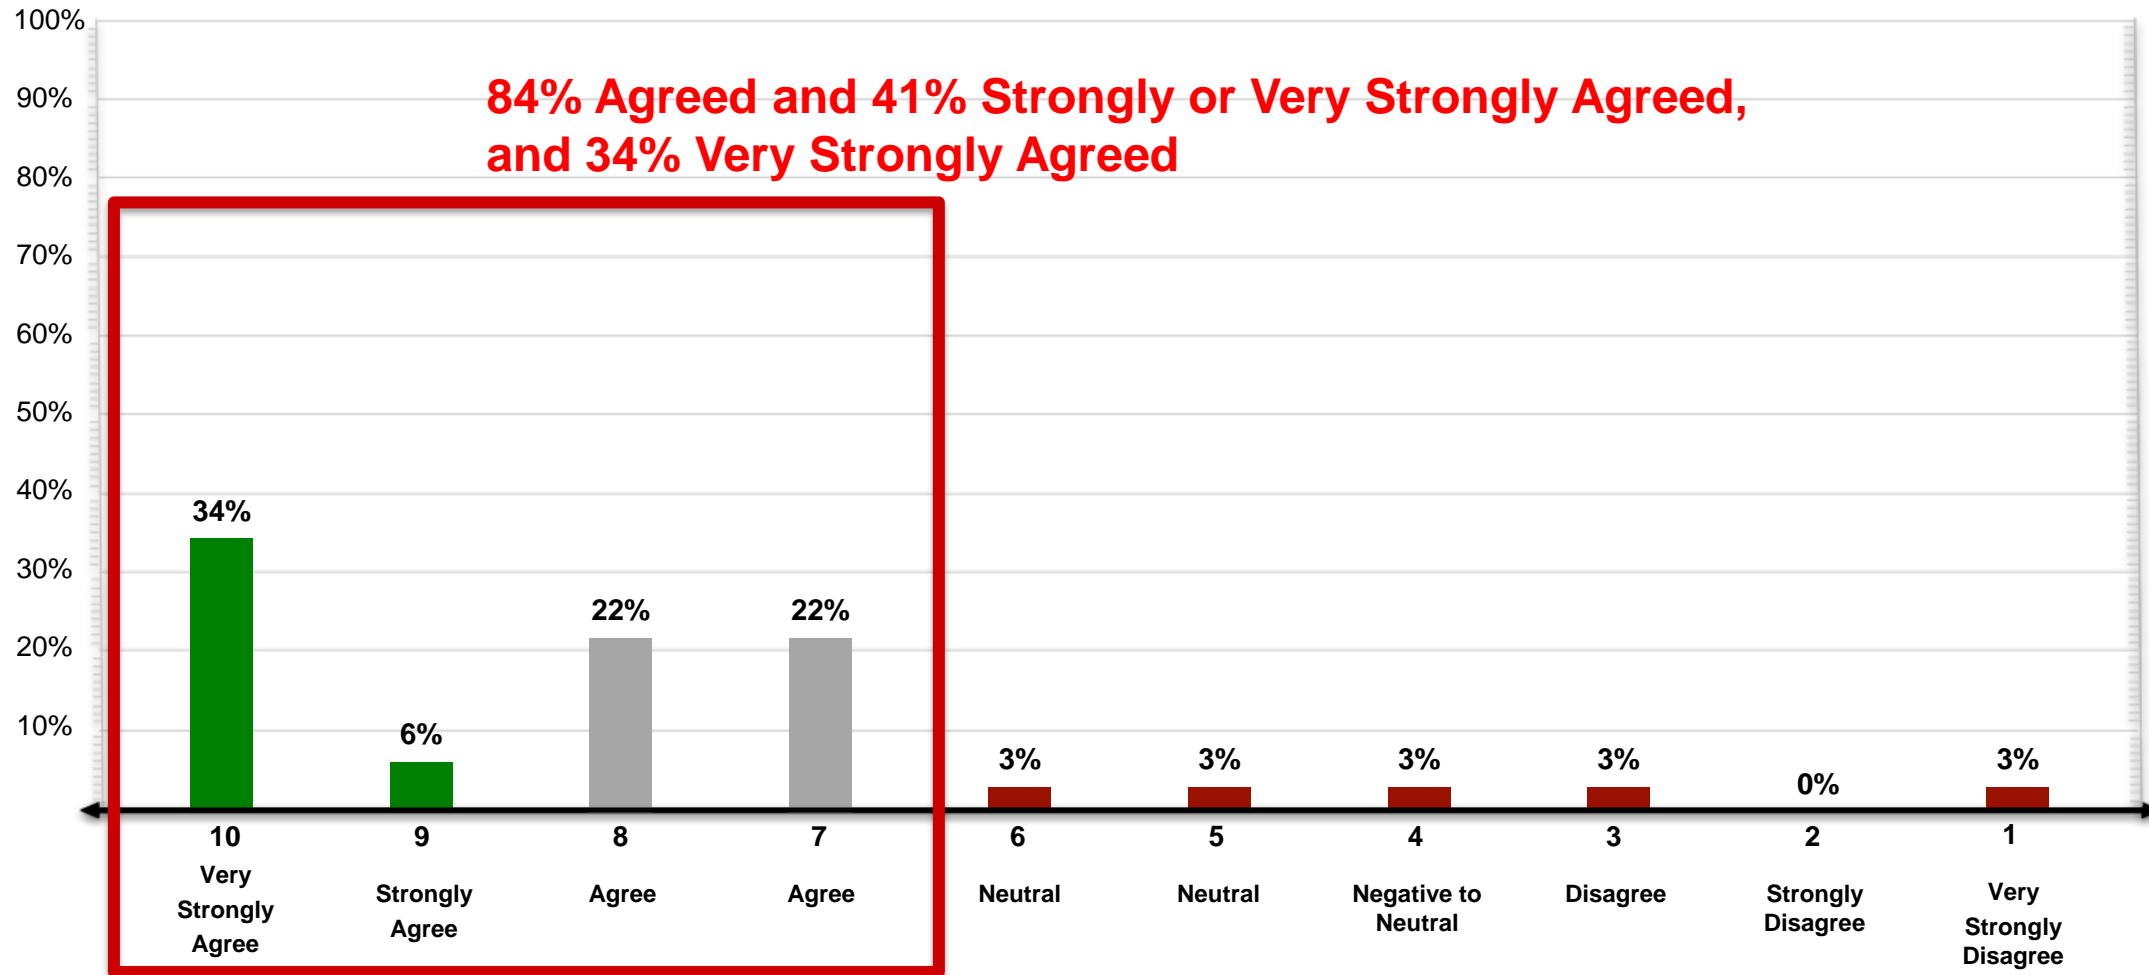

# Specific GOVERNANCE BOARD TOPICS

## I would like covered include:

- How staff approach board members
- How to convince CEO and other senior leaders that quality/safety needs to lead their strategy
- How to handle those systems with multiple sites often miles away from one another just who and how to manage and be exclusive.
- Limiting the strategic goals of an organization
- More about safety culture changes
- Physician peer review
- Reporting regulations
- Simulation agenda for the RCA with all parties, including patients, involved
- Somewhat interested
- What about the chain of command issues?
- Going beyond hospitals
- Morbidity and mortality opioids

# Anonymous Survey Questions

I am interested a webinar presenting  
**INFECTION CONTROL ISSUES:**

Source: TMIT High Performer Webinar Series; Serious Adverse Events and Engaging Your Governance Board – March 21, 2019

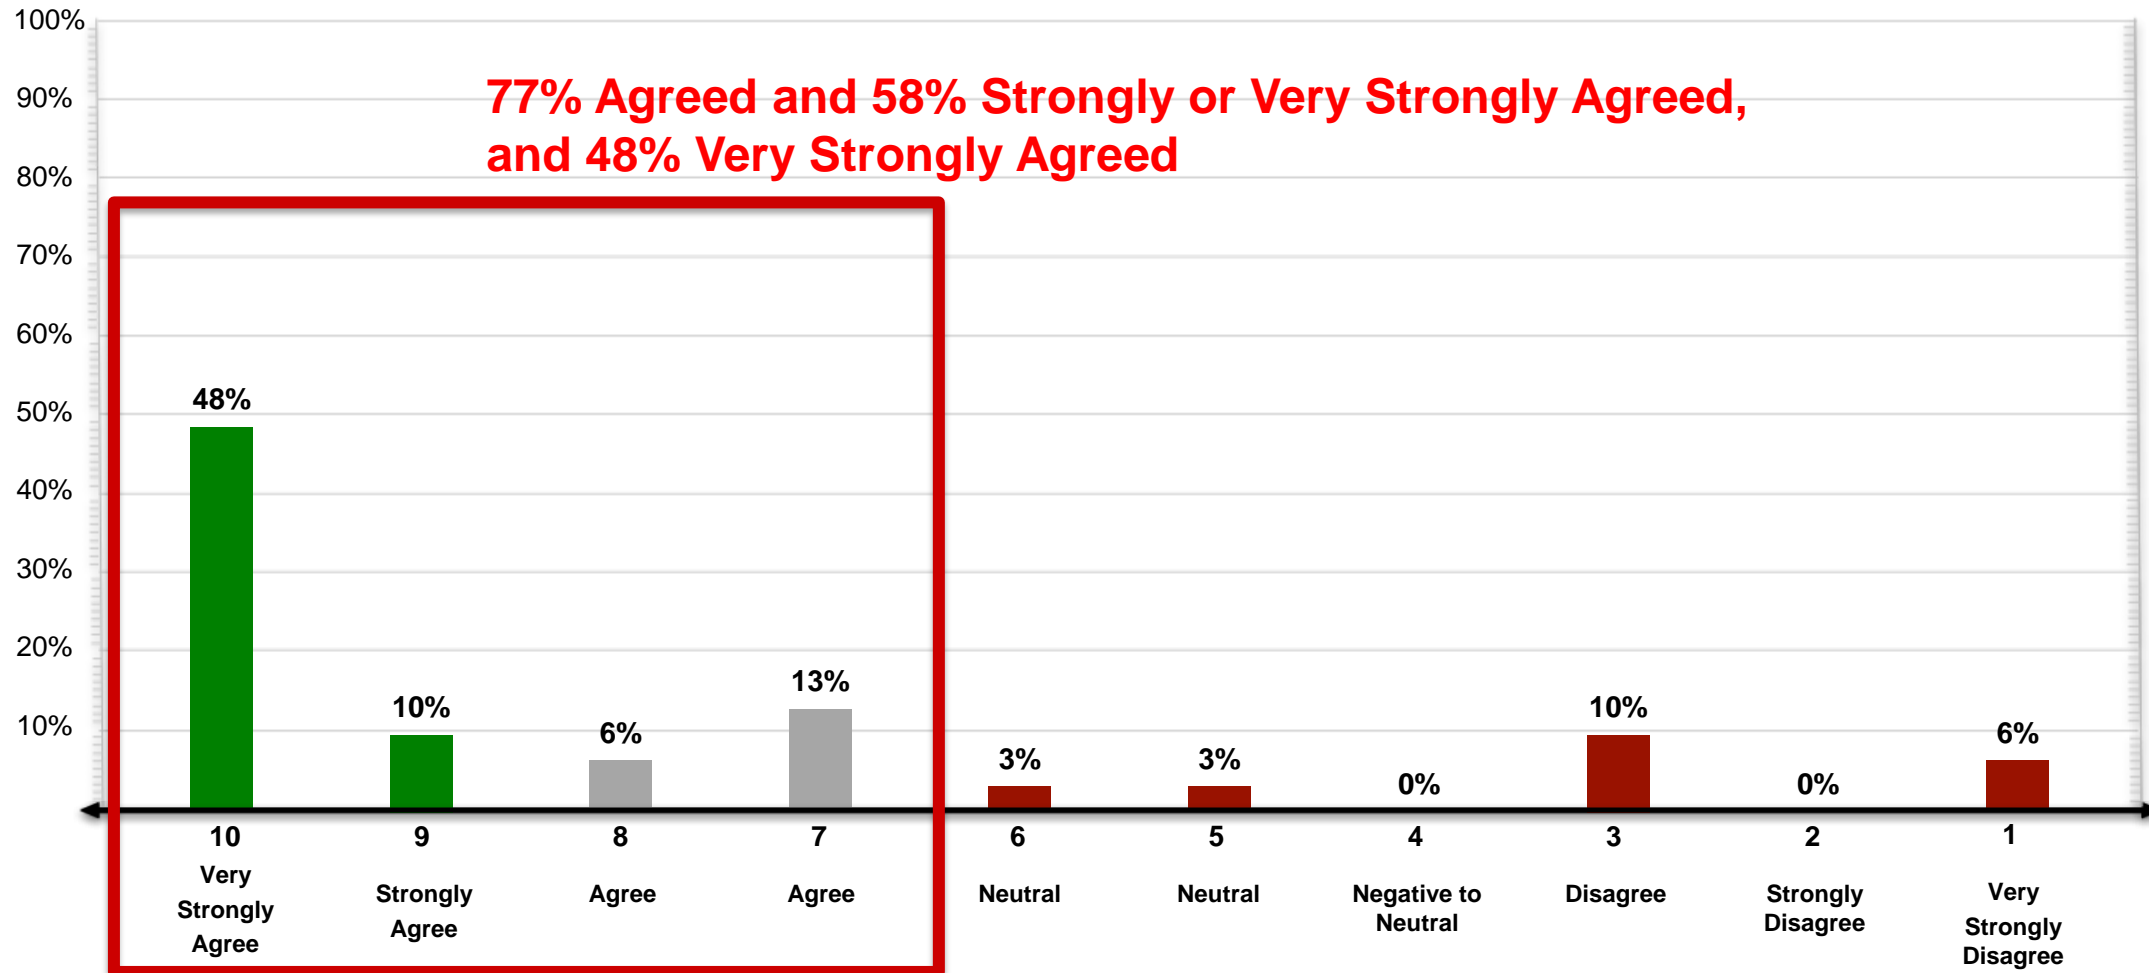

# Specific INFECTION CONTROL TOPICS

## I would like covered include:

- Address elsewhere
- Antibiotics stewardship
- C. Diff prevention in hospital setting; secret to great compliance with hand hygiene
- CLABSI
- Communicable disease prevention in the age of anti-vaccination promoters
- Decreasing hosp acquired infections
- Early sepsis recognition
- High reliability in sterile processing. Business case for excellence in IC
- How to improve and capture true hand hygiene practices?
- Isolation and different levels thereof
- Latest threats other than MRSA
- Lice
- Nursing facilities
- Preventing HAIs

# Anonymous Survey Questions

I am interested a webinar presenting  
**PAIN MANAGEMENT & OPIOID ISSUES:**

Source: TMIT High Performer Webinar Series; Serious Adverse Events and Engaging Your Governance Board – March 21, 2019

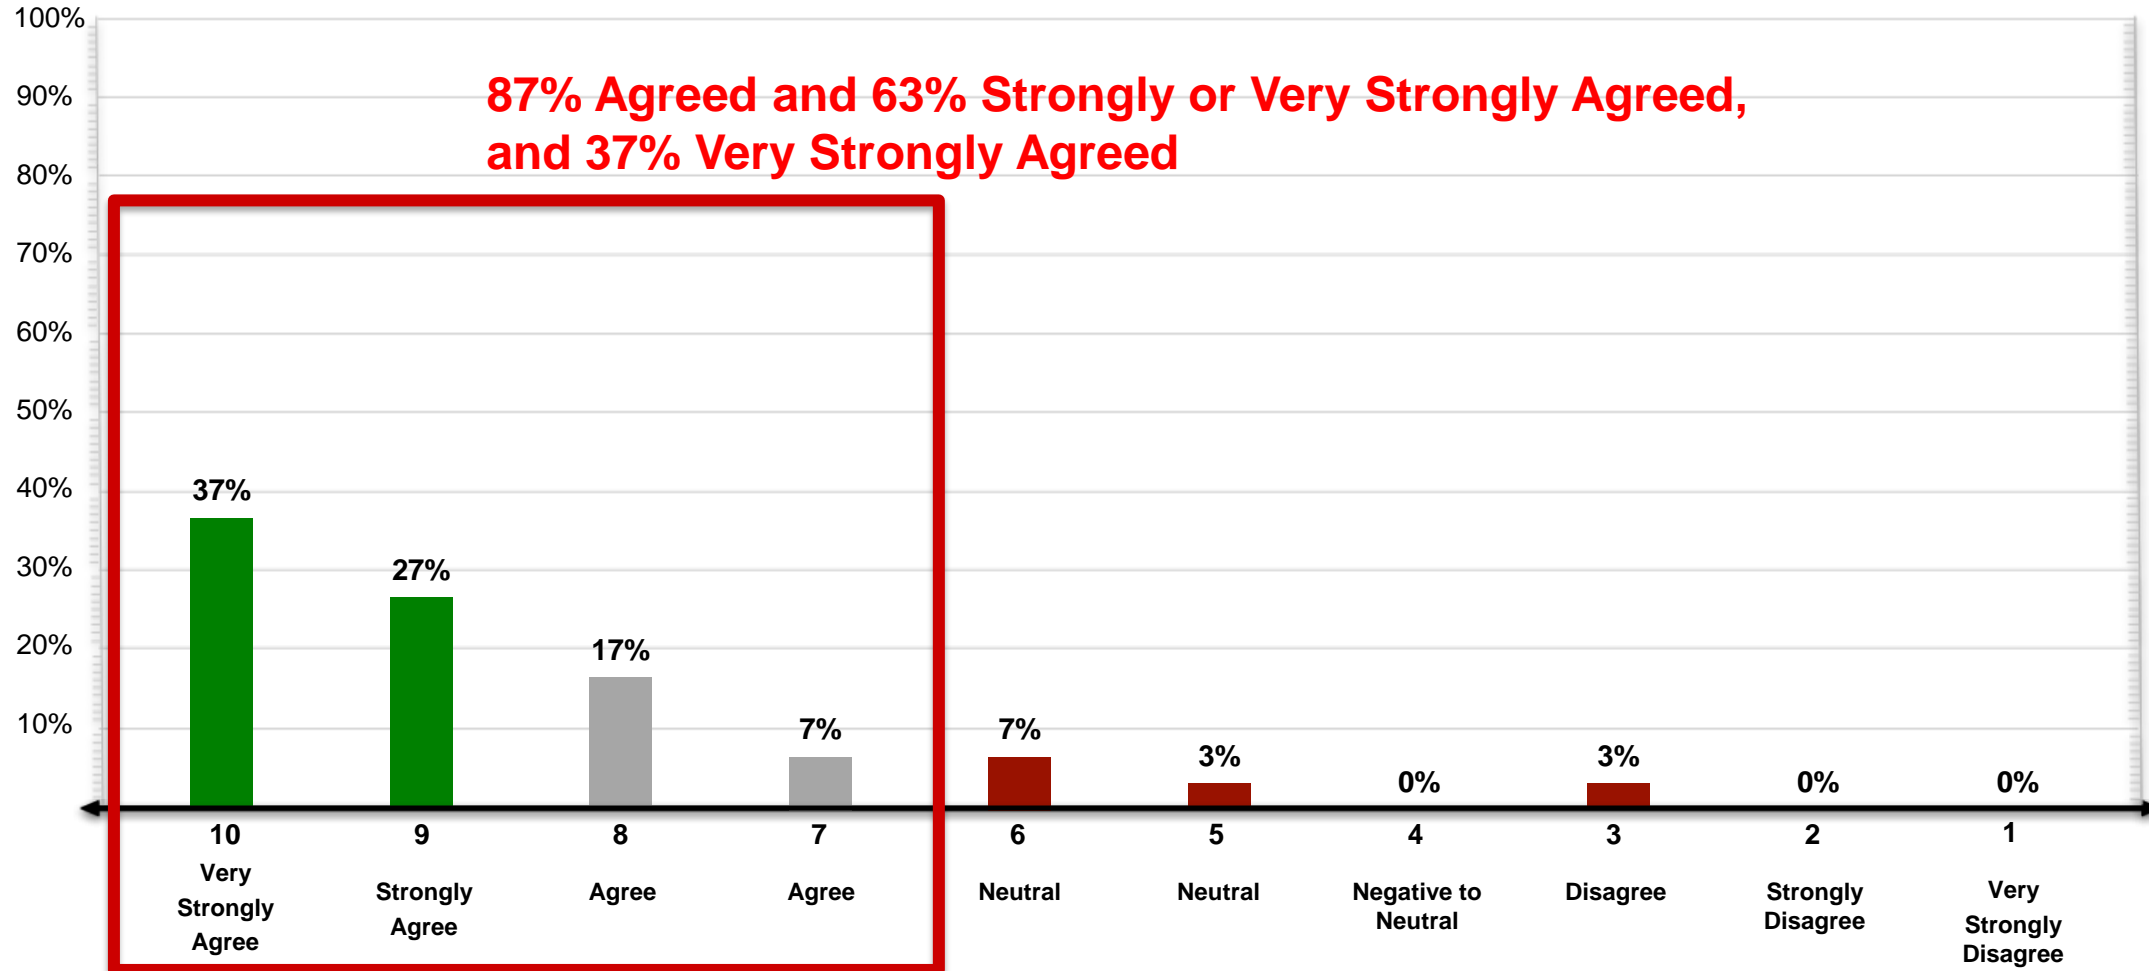

# Specific PAIN MANAGEMENT & OPIOID topics

## I would like covered include:

- Address elsewhere
- Antibiotics stewardship
- C. Diff prevention in hospital setting; secret to great compliance with hand hygiene
- CLABSI
- Communicable disease prevention in the age of anti-vaccination promoters
- Decreasing hosp acquired infections
- Early sepsis recognition
- High reliability in sterile processing. Business case for excellence in IC
